OWNER'S SIGNATURE REGARDING ARCHITECTURAL COMMITTEE APPROVAL

I UNDERSTAND AND AGREE THAT:

No work or any Improvement described on my Property Improvement Form request shall commence until written approval of the Architectural Committee has been received. The conditions and restrictions noted in the Guidelines and Master Declaration shall apply to any approval. Installation of all approved Improvements shall be at no cost whatsoever to the Master Association. Any further maintenance shall be the responsibility of the applying Owner, his or her heirs and assigns. The Owner of any lot shall comply with the Master Declaration for completion of all property Improvements, landscaping and alterations.

General Conditions

1. Architectural Committee approval does not waive any federal, state, or local regulation.
2. Architectural Committee approval does not constitute acceptance of any technical or engineering specification; and the Paseo Westpark Maintenance Association assumes no responsibility for such. The property owner is responsible for all technical and engineering specifications. The Architectural Committee reviews for aesthetic purposes only.
3. Any oversight of a Covenant, Condition, or Restriction; or a policy in the Design Guidelines; does not waive the rule. Corrections may be required.
4. The use of a neighbor's yard for construction access is not permitted unless the neighbor has given consent. The use of property owned and/or maintained by the Paseo Westpark Maintenance Association for construction access or storage is not permitted, unless authorized in writing by the Association and the Applicant complies with all Association requirements, including but not limited to, signs a waiver of damage and posts a construction deposit for repairs of damage to property owned and/or maintained by the Paseo Westpark Maintenance Association.
5. Building materials may not be placed or stored on streets, sidewalks, common areas, or on property owned and/or maintained by the Paseo Westpark Maintenance Association. Streets may not be obstructed by construction equipment.
6. The property owner is financially responsible for any repairs to property owned and/or maintained by the Paseo Westpark Maintenance Association damaged by a property owner's project, and such costs may be deducted from the security deposit.
7. Approval of drawings is not authorization to proceed with improvements on any property other than the lot reviewed by the Architectural Committee and owned by the applicant.
8. Approval of drawings is not authorization to revise the original drainage system installed by the homebuilder and approved by the City of Irvine.
9. Approval is for aesthetic purposes only. Approval is subject to good landscape practices (e.g. proper spacing of expansive and special construction methods may be required for paving).
10. Applicant acknowledges and expressly agrees that Approval is conditioned upon providing a legitimate neighbor notification. A legitimate neighbor notification is one that is actually signed and dated by the neighbor. If the neighbor notification is determined not to be legitimate, then the condition is not satisfied, and any approval based thereon is rescinded, null and void, and the Association may take appropriate actions against the applicant and/or the applicant's property.

The approval SHALL NOT be held to permit any violation of federal, state, or local regulation.
